FM Road Dedication, Feed Today

The 50 member High School Piper Band, under the direction of Tim Jones, will furnish the music for the Ribbon cutting ceremonies opening up the new Farm to Market road 1835 between Hamlin and Old Glory today.

The band will start playing at 11 a.m. and the ceremonies will start at 11:30. After Superintendent Levertt of the Old Glory Schools and Hamlin Mayor John Howard Jr. cuts the ribbon on the bridge the program will move down underneath the span.

C. L. Howard, chairman of the retail trade committee will

serve as master of ceremonies and will introduce the special guests.

The speaker, Jake Roberts, district highway engineer, will be introduced by Jones County Judge H. G. Andrews. The retail trade committee will be given to the people of Hamlin attending and C. L. Howard urges them to meet and visit with as many of the Old Glory and Sagerton people as possible and to make them feel welcome.

The trade committee is expecting around 700 to attend the dedication and barbecue dinner.

Supper Closes Camp Fire Camp

Highlighting the hot dog supper which climaxed the Hamlin Camp Fire and Blue Bird camp was the presentation of a new 50-star flag to the organization. The Princess Ruth Court, an auxiliary of the Woodmen of the World, presented the gift to Bill Harbert, vice president of the Camp Fire Council.

Mrs. Fred Vaughn Jr. Empress, Mrs. J. L. Blanton Jr., Mrs. Kenneth Seifres and Mrs. Charles Lovell represented the auxiliary.

There were 250 persons who

attended the supper and program which was held at West Lake Hamlin. Each group of girls gave a skit and awards were presented.

There were approximately ninety swimmers and eighty-five campers who participated in the five day camp, which was directed by Mrs. Jack Wicker.

Day camp included three days of swimming at Hamlin Pool and two days camp at West Hamlin Lake at the Boy Scout cabin.

Classes consisted of games, sports, handcraft, music, drama, hiking, camping out and cooking out.

Swimming instructors were: Mrs. J. M. Bennett of Stamford and Mrs. Avis Lien of Dyess Air Base. Others helping were Mmes. Max Murrell, Jerry Howard, E. D. Perrin, Gerald Young, W. T. Johnson, Jack Russell, Bill Feagan and Carlton Willingham.

Swimming director was Mrs. J. C. Turner.

Budget Hearing Set for Friday

A public hearing on the annual budget of the City of Hamlin will be held at the City Hall building Friday, July 1, at 7:30 p.m.

The budget calls for an expenditure of \$291,929.

Mr. and Mrs. Charles Newland and children left Wednesday to make their home in Pecos. Newland is with the Engineer department of the Texas Highway Department.

MRS. DON ELMORE

MRS. DON ELMORE TO RIDE FOR B-PW CLUB AT REUNION

Mrs. Don (June) Elmore will represent the Hamlin Business and Professional Women's Club as sponsor at the Texas Cowboy Reunion in Stamford, July 1, 2, and 4.

Mrs. Elmore, who has been riding for about two and a half years, will ride a horse named "Shag" in the Sponsors Contest. "Shag", who has belonged to the Elmores since he was two years old, is five now and has outgrown his name which so aptly described him when they bought him, but as Mrs. Elmore says, "He will always be 'Shag' to us."

Horseback riding is a family hobby for the Elmores. Mrs. Elmore's husband, Don, ropes and is entered in the TCR also. Their children, Debbie, 6, rides the barrels and Randy, 2, is learning to ride.

Mrs. Elmore rode at Stamford and Aspermont last year. She tied a second and won a third in the novice class in the barrel race held here by the

Hamlin Riding Club last Spring.

In addition to her horseback riding, Mrs. Elmore's other hobbies include leather work and making most of her riding clothes.

Semi-Pro Team To Play Afton Here Sunday at 3 p.m.

The Hamlin Semi-Pro baseball team is tied for first place in the Brazos Valley Baseball League with two wins.

Sunday afternoon they defeated Puducah at Puducah, 3 to 1.

Don Adair was the winning pitcher, allowing only four hits. Issacs was the losing pitcher, giving up seven hits.

Afton will play here Sunday afternoon, July 3, at 3 p.m. and Knox City will play here the following Sunday.

HAMLIN BCD JOINS U.S. C-C

Business men in Hamlin have teamed with 2,700,000 others throughout the nation to work for good citizenship, good government and good business.

By joining the Chamber of Commerce of the United States, the Hamlin Board of Community Development takes its place with more than 2,800 chambers and some 600 trade associations in an organization which yields a powerful influence in national affairs, and which will bring to Hamlin the advantages of pooled information, ideas and advice about improving the local community.

In the National Chamber, American business men work as a team. They work on the theory that business cannot flourish and expand, and conditions cannot improve in one area or one field, if the country as a whole is not strong, productive and prosperous, and if business in general is not free to advance.

Lt. Col. W. H. Pickron Jr. and family from Knoxville, Tennessee spent last week visiting his parents, Mr. and Mrs. W. H. Pickron Sr. of Hamlin.

Mr. and Mrs. Joe Allen Dean and their daughter visited Mrs. Dean's parents, Mr. and Mrs. Raleigh Reynolds and his mother, Mrs. Faye Dean, Sunday.

Town to Close Monday for 4th

Most of the business houses of Hamlin will be closed Monday, July 4, in observation of Independence Day. This is one of the regular scheduled holidays of the retail trade committee of the Board of Community Development.

The only activity scheduled in the community over the long week end is a baseball game Sunday afternoon between Hamlin and Afton.

Many Hamlin families will attend the various activities that are being held during the long weekend, including the Texas Cowboy Reunion in Stamford, July 1, 2, and 4. Buffalo Guy's and Doll's Ski Show is being sponsored at Lake Stamford, Sunday, July 3, by the Stamford Jaycees.

Reunions and picnics are being planned by several groups. Many families are planning trips to take advantage of the summer holiday. Police Chief J. L. McCurdy urges all citizens to drive carefully because Texas hospitals are crowded with drivers who didn't think an accident could happen to them.

He also reminds residents that fireworks are permitted to

be discharged only in their own yard, provided their home is not located in the fire zone.

The city ordinance which governs the shooting of fireworks also does not allow a person to stand in their yard and throw the fireworks into the street.

Fireworks are not to be exploded in public places.

SERVICES HELD MONDAY FOR W. B. TOWNLEY

Funeral services for William Ben Townley, 40, were held here at the First Baptist Church at 5:30 p.m. Monday. Townley, a resident of Abilene for the past eight years died at his home, 1282 South Jefferson Drive, at 10:45 p.m. Saturday. Death was attributed to a heart condition.

Born in Greenwood, Arkansas, Aug. 6, 1919, he moved to Hamlin with his parents, Mr. and Mrs. Everett Townley in 1929. He attended Hamlin High School and served in the Marine Corp, entering in 1941 and receiving his discharge the latter part of 1945.

He attended Texas Christian University from 1951-53 and was employed by Allied Van Lines.

He was married to the former Totsie Wall in Seymour on January 22, 1945. They moved to Abilene from Fort Worth. Auditor with Western Oil Mill, he was a member of the First Baptist Church here and Veterans of Foreign Wars.

Services were conducted by Rev. Lenard Hartley, pastor and Rev. James Wood, pastor of Plava Baptist Church. Burial was in Hamlin East Cemetery under the direction of Hamlin Funeral Home.

Pallbearers were Clyde Huff, Dob Wofford, Earl Rouch, Jack McCaniss, Ed Witherspoon and Don Bowen.

Survivors are his wife, his parents, a daughter, Diane, 14, a boy, Spike, 4, both of the home, two brothers, Jack of Hamlin, Vesta of Reno, Nevada, his grandmother, Mrs. H. L. Townley of Fort Smith, Arkansas, one niece and three nephews.

No Changes to Be Made In Policy or Personnel

Two brothers, Floyd and Leldon Clifton have purchased a large block of stock in the Farmers and Merchants National Bank here and Floyd was named a vice president at the June directors meeting.

Leldon will join the bank as an officer. Floyd and his family are moving here now and Leldon will follow as soon as possible.

Tate May will remain as the president and W. C. Russell as active vice president of the bank.

May stated that there would be no change in the officers or personnel of the bank and that the policies of the bank will remain the same as they have been in the past.

Until buying stock in the Hamlin Bank, Floyd was in the process of organizing the Community State Bank in Fort Worth where he would have served as president.

He was cashier and vice president of the Hot Springs National Bank of New Mexico before starting this new venture.

Before moving to New Mexico he was cashier and vice president of the Bank at Rotan.

At Rotan, he was president of the Chamber of Commerce, served as secretary-treasurer of the Lions Club, a director of the Fisher County Veterans Land Board, treasurer of the American Cancer Society five years, member of the Rotan City Council, director of the Fisher County TB Association, and manager of a little League team, director, Fisher County Labor Advisory committee, and was a member of the board and board secretary of the Rotan Bank.

Floyd is a native of Runnels County. He was graduated Norton High School and was a student at Texas Tech, in Lubbock when he joined the 15th U. S. Air Force. He saw almost two years duty in England, France and Italy during World War II.

After the war he entered Hardin-Simmons, Abilene and later attended Sul Ross College, Alpine.

He is married to the former Jessie McIntosh of Novice and they have three children, Bob, 10, and twin boys, Guy and Gary, 6.

Mr. and Mrs. Tom Neill of Odessa and Mr. and Mrs. Roy Neill of Crane visited the Jim Neills of Hamlin recently.

ELECTRIC SHOP OPENS HERE

Ben Howington, who moved here recently for Brawley, California, has opened Ben's Electric at 243 SW 4th.

Howington has had over 12 years experience as an electrician and will do commercial and house wiring, electrical repairs and small appliance repairs.

He and his wife have three children, a girl 12, and two boys, 8 and 10.

'Victory Night' Held by Baptists

A "Victory Night" service was held Wednesday evening at the First Baptist Church to climax the Stewardship Campaign which began June 1.

Pledges of more than \$280,000 were reported from cards which had been turned in by families of the church. This total had not been audited.

A reception was held in the Fellowship Hall following the special program of thanksgiving.

The purpose of the campaign was to teach the people of the church to be more generous stewards, according to the pastor, Rev. Lenard Hartley.

The fund raising drive was made to pledge the operative budget for the church for a period of three years, beginning July 3, 1960, and termi-

nating July 3, 1963. Also to pledge \$150,000 in capital funds to be applied toward the purchase additional property, building a new parsonage, erection of an adequate auditorium and the remodeling of the present auditorium so as to provide adequate educational space.

The membership worked diligently and cooperatively toward a common goal in order for a dream on June 1 to become a reality.

Rev. Hartley, in summing up the campaign said, "It has been proven beyond any reasonable doubt that the wonderful people of the First Baptist Church are capable, willing and ready to make available needed facilities which will be indicative of their love and devotion to God."

Sweetwater Wreck Kills Jimmy Bryson Saturday

Funeral services were held here Monday for a well-known Hamlin School athlete and rodeo performer. James Franklin (Jimmy) Bryson, 20, was fatally injured in an car-truck accident south of Sweetwater on U. S. Highway 70 about 3:30 a.m. Saturday.

Bryson and a friend, Bennie Carroll, 21, had taken part in an amateur rodeo at Aspermont Friday night and were driving to the Sonora rodeo when the accident occurred. Carroll, son of Mr. and Mrs. Clyde Carroll of Hamlin, was asleep in the back seat of his father's car which Bryson was driving. Carroll was taken to Simmons Memorial Hospital for treatment of a broken leg, bruises and lacerations. He was released from the hospital Monday to go to his home.

The car was traveling south when it collided with a Chemical Express truck from the Maryneal cement plant near the Double Heart ranch 7.2 miles south of Sweetwater.

The heavy 1958 Mack truck and trailer, loaded with 70,500 pounds of cement, was going south. The driver, Kenneth William Ward, 29 of Sweetwater, was not injured.

Investigating Highway Patrolmen, B. G. Jones and Leo Sanders said the car apparently swerved into the truck. The front of the car first hit the rear wheels of the tractor,

slammed into the center of the trailer and hit the rear trailer wheels head on and the axle was knocked loose.

Bryson was graduated in 1958 from Hamlin High School where he participated in football, track, the Future Farmers of America and the radio team. As a junior he was voted class favorite and was selected for honorable mention on the All-district football team. His senior year he was Football Hero, tri-captain of the football team and received All District Honorable Mention.

Born July 10, 1939, he lived at 37 SW Avenue F. He was employed as an oil field worker.

A member of the First Baptist Church, services were held there at 2:00 p.m. Monday with Rev. Lenard Hartley, pastor, officiating.

Survivors are his mother, Mrs. Luke Bryson of Hamlin, two brothers, Buddy and Sammy, both of Hamlin; two sisters, Mrs. F. G. (Helen) Myers of Pecos, Mrs. D. J. (Nina) Jones of Stephenville. His father, Luther Franklin Bryson, died in 1946.

Burial was in Hamlin East Cemetery under the direction of Hamlin Funeral Home.

Pallbearers were Bobby Gillis, Steve Reynolds, Dan Schutte, Harold Wells, Skipper Smith, Charlie Turner, Virgil Wilson and Clifford Eoff.

WRECK TAKES LIFE OF HAMLIN YOUTH—James Franklin Bryson was killed and his companion, Benny Carroll, also of Hamlin, was injured early Saturday morning when this 1958 Chevrolet in which they were riding struck a loaded cement truck near Sweetwater. (Engraving courtesy of Sweetwater Reporter.)

THIS IS HAMLIN...

By ORVILLE D. ROLAND, Manager

If I were a stranger passing through Hamlin and stopped for gas at one of the service stations, I think I would be highly impressed by the courteous service offered by the attendants. Then I would ask, "What kind of town is Hamlin?" and I think the answer would be sincere and enthusiastic. "The best town in West Texas!"

Of course, everyone thinks their town is the best but, the thing that would impress me the most would be the way in which the attendant said it.

Hamlin's first contact with industrial prospects, new business interests, or new families, is made by the service station attendants on duty at our gas stations. The way these people are treated could very easily determine Hamlin's future. Many communities have impressed industrialists simply by being courteous and enthusiastic, and benefitted by a nice industrial plant which employed several hundred people.

This doesn't mean that all we have to do to attract industry is to be nice to people, but that being nice to people is the least that is expected.

Many possible future citizens stop at service stations cafe or restaurant and the service they received could have a lot to do with their impression of Hamlin.

To the individual employee, this may not mean very

much but it means more than they think. They are Hamlin's ambassadors of good will. They are the 'front line troops'... task forces—paying the way for the rest of the citizens who do not have the opportunity to meet the traveling public.

In the window of the BCD office is a sign which shows what 20 tourists a day could mean to Hamlin.

These figures are based on the results of a national survey conducted by the United States Department of Commerce. It says, "If a community can attract 20 tourists a day throughout the year, it would be comparable to acquiring a new manufacturing industry with an annual payroll of \$100,000."

This would mean:
296 more people
112 more households
51 more students
\$590,000 more income
\$270,000 more bank deposits
\$360,000 more retail sales
107 more cars
174 more jobs
4 more retail stores

Yes, the service station attendant, the cafe waitress, everyone who meets the public is in a very important position to build a better community. Their job is important. Their attitude is important. What a great opportunity they have for moving ahead... increasing their earning ability... and do a great job for Hamlin!

County Candidates to Speak Monday

Friday, June 25, 1920

The Jones County Grand Jury was called back to Anson Monday to investigate the case of Ray Lindsey, who is accused of breaking into the Hamlin Mill & Elevator office. The jury had but little to investigate as the defendant expressed a desire to have his trial as quickly as possible. He does not want any witnesses or council according to Deputy Spurgeon Reeves and Judge J. Emmett Robinson who were here Tuesday of this week. The case comes up Monday.

All the candidates of the county will speak at a meeting at the Tabernacle Monday at

3 p.m. Honorable R. N. Grisham, candidate for congress, is also scheduled to speak.

An ad reads: Want to buy a light hack, must be in new condition. See J. I. Sneed, at the New Confectionery.

During the storm of last Friday night the ice plant in Anson was struck by lightning and burned to the ground. The plant was not in operation but the vault was full of ice. Everything was a total loss except the vault which was still holding "cold" enough for service Monday of this week. The people of Anson are furnished ice either from the Abilene or Hamlin plant.

Celotex Quarterly Dividend Lower

Chicago—The directors of The Celotex Corporation today declared a quarterly dividend on common stock of 25 cents per share, payable July 30, to stockholders of record July 7, 1960.

The previous quarterly dividend rate has been 50 cents per share.

In announcing this reduction, Mr. Henry W. Collins, president, stated that although the company's business has improved in recent months, it has not yet approached the seasonal demand usually experienced at this time.

At today's meeting the board of directors also declared a regular dividend of 25 cents a share on preferred stock, also payable July 30 to stockholders of record July 7.

TEXAS PRESS
ASSOCIATION

Austin, Texas

Outdoors in Texas

By VERN SANFORD

With school out and the summer holidays here, the number of persons enjoying the great outdoors is increasing tremendously.

Week-end driving is especially hazardous. Add to the ever-present dangers of highway accidents a big holiday week-end, such as the upcoming Fourth of July vacation period, and you have an especially dangerous time for the motorist.

July Fourth, this year, falls on Monday.

That means Saturday, Sunday and Monday traffic will be heavy, very heavy. In fact, the greatest traffic load of the year—any year—is the July 4th week-end. And this one this year has an extra day!

That means you've got to be careful!

You must observe the speed warnings as well as all other safety traffic signs. These are placed on the highway as a warning for you... not to you. Heow ervhte,eriwwarn-orB However, there will be patrolmen on every highway and in the greatest numbers ever, come July 2-3-4.

So, be careful and play it safe. It's your life, as well as the lives of others, that's at stake. Your property, and their property too.

So don't let even one tiny black mark appear on your insurance record. That can prove costly too, you know.

Not more than two out of ten outdoorsmen know that a motorist can be arrested if he drives more than 45 mph while pulling a boat.

Did you know that?

Well, it will pay you to remember it—and especially so during the July 4th week-end.

A jackknifing trailer can do tremendous damage—to property and to people. So if you're trailering a boat, be sure that that a safety chain is attached to the trailer is well hitched. See that a tsafte chain is attached from trailer to car. Double-check to be certain that the cable pulls the boat snugly forward to balance your craft properly and set it tightly.

See that the transom tie-downs are tight. Be sure that the tires are properly inflated and have no thin spots that may cause a blowout, or lost traction.

Either a red warning light must be on the rear of the trailer, or a red reflector attached to the stern of the boat, where it is clearly visible, when you're driving at night.

Equally important, be sure you have a 1960 trailer license

and that your boat is numbered in keeping with Texas laws.

Okay, you've launched your boat, and you're on your way.

Do you have a coast-guard-approved life preserver aboard for each passenger? If not, you're violating the Federal and State laws regarding safety afloat. And you're violating the first rule of safety if you don't make the kiddies wear life vests.

Do you have at least two paddles aboard, just in case of motor failure?

And, speaking of motors, did you gas up properly... carefully?

Outboarders should remove the tank from the boat and fill the tank either at the filling station pump or on the dock—not while the tank is in the boat. Inboarders should exercise even greater care.

Two inboards have exploded on Lake Austin, already, this very summer. Accumulated gas fumes in the bilge ignited when the ignition key was turned on.

Boating accidents are increasing. The Winslow Co. of Venice, Florida, reports that last year, in New York State, there were more fatalities from boating accidents than from cars. In New Jersey less than one per cent of the auto accidents proved fatal—as compared to a 14 per cent fatality rate for boating accidents.

The dangers of water are hidden ones. They develop suddenly and unexpectedly, and without any warning.

On the highways you often can see an accident coming. On the waterways an accident develops instantaneously. It can be caused by lighting a match, by carelessly thrown cigarette, a safety belt that didn't hold, a ski that broke, a barrel that sank, a floating mattress or innertube that lost its air.

There are hundreds of different ways. Nearly all are due to carelessness. Some are from stupidity—like trying to carry eight passengers in a five passenger boat. Some are from pranksters who just must have their fun. But—ninety-eight per cent of the accidents on our waterways could have been prevented—if the persons involved had been safety conscious.

Policing for safety in equipment is one thing. But policing the individual is equally important—and more difficult.

Take water skiing for example. There are more skiers this year than ever before. I've seen men, women and children, from 6 to 60 trying to ski—and most of them doing it, too. Truly it's becoming more and

THE HAMLIN HERALD

Thursday, June 30, 1960

more popular as a family sport. There is one dark blot on the enjoyment of water skiing, however. I refer to accidents. The distressing thing about it is that none of them are necessary. They seldom happen to the beginning skier. He or she usually is cautious and follows instructions to the letter, while trying to learn the sport.

Usually the man who gets hurt is the good skier. The man who thinks he is so good that he doesn't need to take even the normal precautions.

He's the guy who will go out without a life vest or belt-type preserver—and never come

back alive.

He's the guy who will ski close to tree stumps and docks and other boats... and motors.

He's the guy who isn't with us any more. But as Barnum once said—there's one born every minute.

Mr. and Mrs. Wesley Minton and two girls of Slaton are visiting with the Lester Mintons. Mr. Minton is a patient in the Hamlin Hospital.

Use your eyes, use your ears, use your brakes: You'll last for years.

THE ELECTRIC CO-OP MEANS

SO MUCH

TO RURAL TEXANS

The hands that hold the phrase above could be those of most any citizen who shared the darkness of rural Texas 25 years ago. For it was then that rural people organized the first electric cooperative... borrowed money at interest and built the rural electric system that no one else would build.

Today principal and interest on these loans are being repaid... in many instances well ahead of schedule while the rural community enjoys the countless blessings electricity has brought.

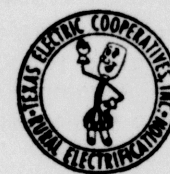

Modern electric systems, efficiently managed, offer top flight service to remote areas of the state.

The electric cooperatives are keeping pace with rural development with heavier lines and improved service.

The electric cooperatives that mean "so much" today will mean even more in the future.

History of the Hamlin First Baptist Church

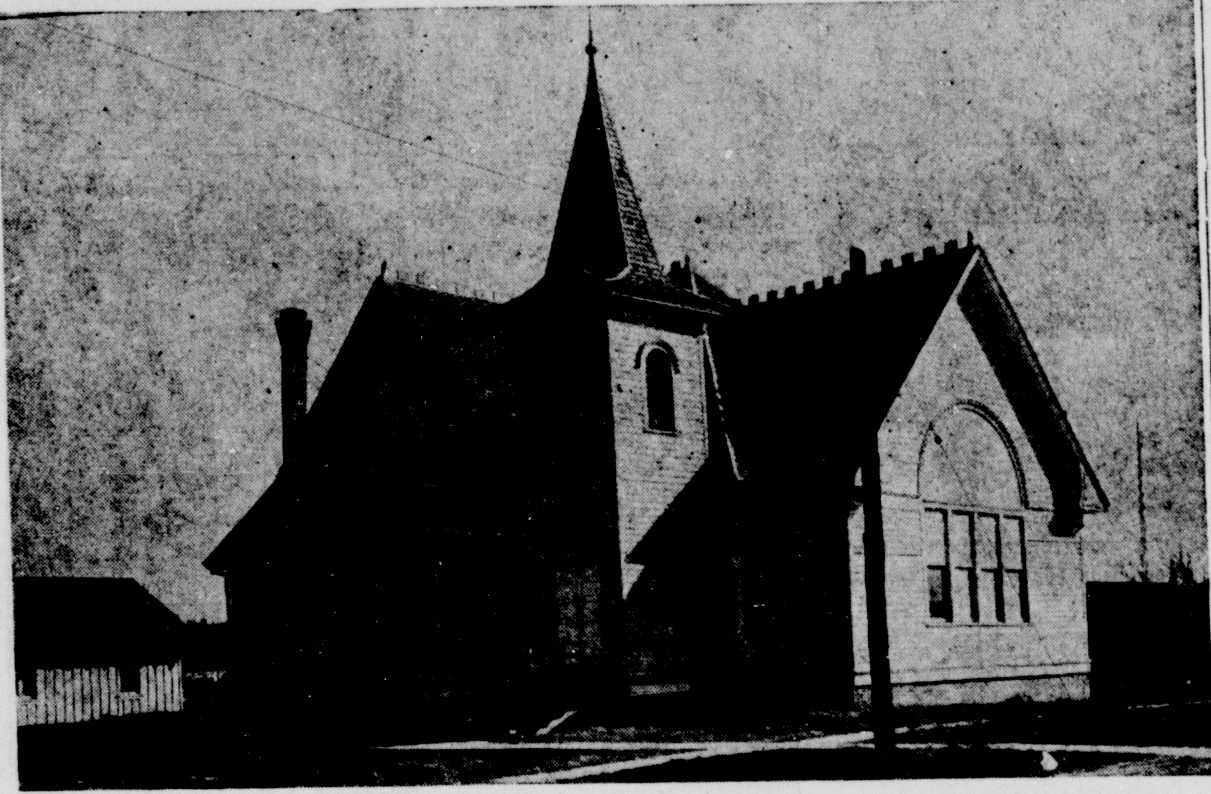

It is fairly well confirmed that the First Baptist Church of Hamlin was organized in the old Masonic Hall, which was torn down in 1938 to be replaced by a new service station.

On February 28, 1906, Rev. C. A. Mangum, the Stonewall Associational Missionary, led the congregation in organization.

The following were listed as Charter Members: A. G. Arnett, Mr. and Mrs. S. S. Arnold, Mr. and Mrs. J. F. McWilliams, Mr. and Mrs. Will Roberts, D. C. Barclay, J. A. Hickey and Mrs. O. B. Harris. A. G. Arnett was chosen the first church clerk and from time to time, for many years, kept the records. Rev. Mangrum was called as pastor, but served only one month.

Rev. Funderburg was called and served five months. The next pastor was Rev. B. S. Sullivan. He served one year and by that time there were about eighty members and the church went into a building program. From 1907 until 1910, Rev. J. W. Safford and Rev. J. T. Nicholson were the pastors. They were followed by Rev. W. P. Maroney, who served ten months, then Rev. Safford was re-called and became a "half-time" pastor and continued until June, 1912.

Rev. L. B. Owen served Hamlin Baptists as pastor from 1912 to 1915. Following Rev. Owen, Rev. J. B. Henderson became

FIRST BAPTIST CHURCH—Built in 1907

the pastor and worked with the church until July 1, 1918. Hamlin and Rotan banded together to keep a pastor. Hamlin had no one and Rev. J. M. Parker, was pastor of Rotan, and could not find enough pay to keep him, so he gave two Sundays to Rotan and two to Hamlin, and started his work on September 8, 1918.

From May, 1919, until July 1, 1924, Rev. Hill Edmonds served

as pastor and was followed by Rev. A. W. Reeves. After only eleven months, another church called Rev. Reeves.

August 15, 1925, Rev. J. Henry Littleton was called and served for more than fourteen years.

In 1928 the church voted to go into a building program and the present auditorium grew from this program. The building committee consisted of John C. Turner, chairman, H. E. Nall, W. C. Russell, Mrs. Fred B. Moore, W. F. Johnson, Mrs. Bowen Pope, J. C. Greenway, R. J. Robertson, L. B. Howard, and W. A. Albritton.

Tate May was chairman of the finance committee, and other members were: H. O. Cassle, Mrs. John T. Day, J. S. Inzer, J. W. Ezell, Mrs. L. T. Cox, J. J. Waggoner and Oscar Owen.

In 1930 the church sold their old parsonage and erected a new one at a cost of approximately \$7,000.00. Rev. J. Henry Littleton offered his letter of resignation, to be effective on January 1, 1940.

On February 14, 1940, the church voted to call Rev. H. E. East as pastor. In May, the church appointed W. C. Russell, W. L. Boyd, and Mrs. W. A. Albritton to have a cooling system installed in the auditorium. That same year, in December, a committee was appointed to secure heating for the auditorium.

The remaining building debt of \$1685.00 was raised on Sunday, November 16, 1941. Thus the building, which was built in 1928, and the parsonage, which was completed later, were free of debt.

In July, 1943, the Church accepted Rev. East's resignation. In September, 1943 the church voted to call Rev. B. J. Martin as pastor.

The Ezell Memorial Library of our church was formally opened in February, 1944. This library, which contained 346 books, was finally opened to the public. It was named in honor of J. W. Ezell, chairman of the library committee and chairman of the Board of Deacons. Jim King was the first church librarian.

On September 16, 1945, Rev. B. J. Martin resigned to accept a call to the First Church of Ballinger.

Rev. John H. Osteen came as the next pastor of the church on March 13, 1946. While he was pastor, the first organ was purchased for the church.

As early as April 23, 1947 the pastor Bro. Osteen, Tate May and W. L. Boyd were designated as a building committee. \$5,000.00 which the church had in government bonds was designated for the building fund.

On March 28, 1948, Rev. Osteen presented his resignation to the church, effective June 5, 1948.

In May, 1949, the church

voted to buy an amplifier and chimes for the organ. June 26, 1949 was designated as Building Program Day.

On March 1, 1950 the church voted for Mrs. Joe A. Simpson to be chairman of a committee to present plans to the church for a Mexican Mission.

Other members of this committee were Clyde Angel, Mrs. W. L. Boyd, Ira Clements, W. L. Boyd and H. E. Brown. The Mexican Mission was established and Rev. Victor Ortiz was called as pastor.

In March, 1950, the church voted to make the amount of \$5,600.00 available from the building fund for remodeling the church building.

In November, 1950, the church voted to move and use the Flat Top Baptist Church as a mission. This mission was established and was named the North Central Avenue Baptist Chapel. Rev. Danny Williams was the first pastor.

On April 25, 1951, the church voted to purchase individual seating for the auditorium. Following the resignation of Rev. A. R. Posey, Rev. Miles B. Hays was called as interim pastor, on October 10, 1951.

On December 12, 1951, the First Baptist Church granted the North Central Baptist Chapel permission to become a church. There were 64 charter members of the North Central Ave Baptist Church.

On August 30, 1953, Rev. Miles B. Hays announced his

'59 LIVESTOCK PRODUCTION UP OVER 1958

Texas' livestock production for 1959 showed a sizeable increase over 1958 production, according to Lloyd Bergsma, extension livestock marketing specialist.

Mohair production in Texas set a new record in 1959. An increase in the average mohair price coupled with an increase in production resulted in this new record, the specialist explained. During 1959 Texas accounted for 97 percent of the U. S. mohair production.

Texas again outranked all other states in beef production. Although cash receipts and total poundage for Texas showed an increase in 1959, Iowa exceeded Texas in gross income from cattle and calves. Bergsma explained that Iowa's larger gross is the result of the intensive cattle-feeding industry in that state and in shipments of cattle and calves.

Hog, wool and sheep and lamp production in Texas showed an increase in 1959 over 1958.

In commenting on the market outlook for 1960, Bergsma said heavy market supplies of most cases of cattle have forced the market lower, thus making for a delicate market which reacts quickly to adverse weather or other unfavorable factors. Marketings of stocker and feeder cattle will continue heavy, and this could reduce expected heavy runs this fall. Lower priced feeders will fill the feedlots, the specialist added.

Reduced hog slaughter will result in a strong seasonal price advance, and efficient producers will be in a good position to take advantage of this increase.

Larger supplies of slaughter lambs will dampen the effect of a seasonal price advance. Increased competition from lower priced beef will influence the lamb price downward, the specialist concludes.

resignation as interim pastor, effective October 1, 1953.

Rev. Houston Walker was called as pastor by the church on October 7, 1953.

In May, 1954, it was voted to buy a house from Celotex for \$550.00 and move this building to the site of the Mexican Mission.

The church bought the lot on the southwest corner of the same lot of the church, at a cost of \$6,000.00. On December 8, 1954, the church voted to pave the entire length of the block in front of the church for a cost of approximately \$15,000.00.

In June, 1955, the church put on an every member campaign drive to raise money to finance a new educational building. Edd Wiggins and his wife were hired as educational director and church secretary.

On June 25, 1956, Rev. Houston Walker presented his resignation to the church after having served as pastor two and one half years.

On September 9, 1956, Rev. Calvin Bailey of the Second Baptist Church of Ranger, was called as pastor.

On February 6, 1957 the church voted to build an Educational Building. The finance committee, headed by J. C. Turner, recommended that the church borrow \$30,000.00 from Hardin-Simmons to be paid back monthly.

Total cost of the building, when completed, was approximately \$75,000.00.

In the spring of 1957 a new Hammond organ was purchased.

On October 31, 1958, Mrs. Bo (Patsy) Newland, who is the present church secretary, was employed.

On April 12, 1959 the church voted to give the house on the south-west corner of the block to the North Central Avenue

Baptist Church. May 20, 1959 a bid was given to West Texas Utilities Company to air condition the educational building.

Rev. Bailey submitted his resignation effective on August 10, 1959.

Rev. Byron Bryant of Hardin-Simmons University, was called to serve as interim pastor.

Rev. Victor Ortiz's resignation as pastor of the Mexican Mission was accepted.

Rev. David D'Amico was secured as Mexican mission pastor on September 13, 1959.

Rev. Lenard Hartley, pastor of the Lamar Street Baptist Church of Sweetwater, was extended an invitation to come before the church in view of a call as pastor. He accepted the call and moved to this field of service on January 25, 1960.

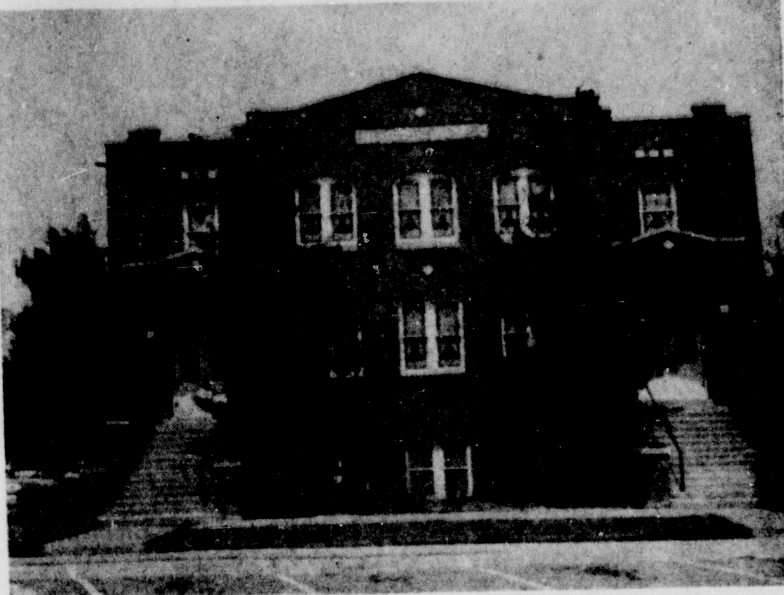

On April 13, 1960 Mr. John Monk was employed to lead in A Forward Program of Church Finance in the month of June. Purpose of the Campaign is to receive pledges to the local budget and building program for the next three years.

By Tuesday evening \$270,000 had been pledged with more to be received at the church office.

Spearheading the campaign were the following chairmen: Tate May, general chairman; W. C. (Ted) Russell, campaign committee chairman; Fred B. Moore Jr., initial gifts chairman; J. C. Turner, special gifts chairman; Joe Hudspeth, teams chairman; Mrs. Tate May, hostess chairman.

Mrs. Bill Shira, arrangements; Mrs. Everett Gibson, publicity.

The pastor, Rev. Hartley, served in an advisory capacity during the campaign.

MRS. HURON A. POLNAC JR.

EDNA KEHR AND REV. H. A. POLNAC MARRIED SATURDAY

In double ring ceremonies Saturday in the First Baptist Church of Rotan, Edna Louise Kehr of Washington, D. C. was married to Rev. Huron Alvin Polnac Jr., pastor of the McCaulley Baptist Church.

The 4 p.m. nuptials were conducted by the bridegroom's father, Rev. Huron A. Polnac Sr., pastor of the First Baptist Church of Rotan.

A home dedication service was conducted by Dr. T. B. Maston, as part of the marriage service.

Dr. Maston, professor of Christian Ethics of Southwestern Baptist Theological Seminary, Fort Worth, gave the bride in marriage. The former Miss Kehr had served as Dr. Maston's secretary while she attended the Seminary this past year.

The bride's parents, Mr. and Mrs. Earl Warden Kehr of Washington were unable to attend.

Wedding music was presented by Mrs. Virgil Wheems, organist, and Lois Ann Kendrick of Fort Worth, soloist.

Miss Kendrick was also the maid of honor. Peggy Ruth Maberry of Waco was bridesmaid. Their identical gowns were of mint green organza with fitted bodices, scoop necklines, puffed sleeves and bouffant skirts. Their picture hats of white organza were trimmed with mint green bows. They carried pastel summer flowers in white baskets.

Best man was Lennis Ray Polnac of Rotan, brother of the bridegroom. Rev. Glen A. Polnac of Pampa, the bridegroom's cousin, was groomsman.

Ushers were Rev. Roy Don Rhoads and Rev. Glen A. Ferguson, both of Fort Worth.

The bride's gown was fashioned of imported silk bouquet taffeta with a long torso bodice, long fitted sleeves and a yoke of hand clipped alencon lace. Sequins and seed pearls enhanced the scoop neckline of lace. The bouffant skirt with a bustle effect in the back terminated in a chapel length train.

The bride's fingertip veil of illusion was attached to a crown of pearls and sequins. She carried a white orchid circled with satin and lace atop a white Bible.

The reception in the social hall of the church was hosted by members of the Young Women's Auxiliary and their mothers. Mrs. Frankie Sorelle served as hostess. Reception music was played by Jane Decker of McCaulley.

The bride chose a dress of powder blue organza with a matching hat, accessories in shades of blue and an orchid corsage for a wedding trip to El Paso, points in New Mexico

and Juarez, Mexico. The couple will be at home at McCaulley July 10.

The bride is a graduate of the Baptist Institute for Christian Workers, Bryn Mawr, Penn.

Rev. Polnac is a graduate of Hardin-Simmons University and the Seminary in Fort Worth.

Nunley Circle Elects Officers For Coming Year

The Nunley Circle of the Methodist W.S.C.S. met in the home of Mrs. Richard Young Jr. Tuesday at 10:00 a.m. with Mrs. Fred Carpenter presiding.

Officers elected for the new year were Mrs. G. W. Nunley, chairman; Mrs. Fred Carpenter, vice chairman; Mrs. W. H. Pickron, secretary and reporter; and Mrs. Julia Harden, treasurer.

The program was entitled "Send Ye Forth With Joy," and the scripture reading was Romans, the 10th chapter.

Refreshments of a fruit plate and lemonade were served by the hostess to the following members: Mmes. W. H. Pickron, C. D. Jones, Carpenter and G. W. Nunley.

The closing prayer was given by Mrs. Carpenter. The next meeting will be in the home of Mrs. Carpenter on July 26 at 10:00 a.m.

Party Marks Sixth Birthday Saturday for Donne Croan

Donne Croan celebrated her sixth birthday Saturday, June 18, with a party at her home for a group of her friends. The party was a Mother Goose affair with decorations in a Mother Goose theme. The children were served Humpty Dumpty Sandwiches, Mother Goose Pop, Jack Be Nimble Ice Cream, Old Woman in the Shoe Cake and Hansel and Gretel Candy cups.

Those attending were: Jan Gardner, Jimmy Lou Bishop, Kay Andrews, Martha Ballard, Gary Batchelor, Price Bryant, Georgia Morgan, Lagna Fairbetter, Larry Don Jayroe, Bruce Fowler, Vickie Harrison, Latrese Williams, Denise Preston, Terry Gregory, Janis Holzmann and Rhoda Ramby.

The children were assisted in playing a group of games by Sheri Witt and Glenda Hudspeth.

Mr. and Mrs. Don Paxton and two children, who have recently moved to Stamford, attended services at the Church of the Nazarene here Sunday.

DEATHLESS DAYS

THE DEADLY TRUTH—About traffic safety in Texas in 1959 was that only one day in the whole year was free of traffic deaths. In 1958, there were five "Deathless Days" in Texas, four in 1957, five in 1956, three in 1955. If more Texans will drive in such a way that their cars are never involved in a crash which takes a human life, then Texas can record more "Deathless Days." Will YOU drive so that the Fourth of July holiday will add a "Deathless Day" to the Texas traffic calendar? County Agent Stresses Need for Proper Cooking

Limp, over cooked, drab looking vegetables have little appetite appeal, and little food value. You will save color and food value by using proper cooking methods reminds, Mary Y. Newberry, Jones County Home Demonstration Agent.

Serve three vegetables each day—a green or yellow vegetable, sweet or Irish potatoes, and one other vegetable. Here are some pointers to remember in cooking vegetables.

1. Use fresh, crisp vegetables.

2. Cook in as little water as permissible.

3. Cook vegetables in their skins whenever possible.

4. Cook only until tender—do not over cook.

5. Cook most green and all

yellow vegetables in a covered pan.

6. Never use soda in cooking vegetables—it destroys part of the food value.

7. Serve vegetables as soon as possible after cooking. The longer they are exposed to heat and air the more vitamin C they will lose.

Directions and special recipes for tasty vegetable dishes are given in Extension Bulletin 923 "Vegetables - Selection, Care, Cooking." You can get a copy from the home demonstration agent's office.

Mr. and Mrs. Tate May left Monday on vacation, accompanied by Mr. and Mrs. Jene Wagner of Brownwood. During the trip they plan to visit their son, James Tate May in Billings, Montana, and will likely tour some sections of Canada.

Mrs. Bill Fairbetter Gives Program

The McBride circle of the W.S.C.S. of the First Methodist Church met Tuesday at 10 a. m. in the home of Mrs. Jerry Waggoner.

Mrs. Bill Fairbetter presented the program. Mrs. Waggoner then served refreshments to ten members.

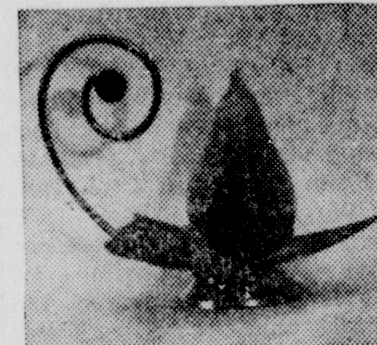

Attend Workshop

Mr. and Mrs. B. V. Newberry and Mr. and Mrs. Marvin Carlton are attending a secondary principal's workshop this week in Austin.

They left Sunday and will return Friday night.

The theme of the workshop is the "Utilization of Personnel" and is sponsored by the University of Texas.

TRAFFIC AND DROWNINGS TOP HAZARDS DURING HOLIDAYS

Beware of the Terrible Two traffic and drownings! That's the caution extended today by the National Safety Council as a forewarning of the top hazards to be encountered over the forthcoming fourth of July holiday.

Traffic took 276 lives over the Fourth in 1959, and drownings claimed 178 victims, according to the Council. In addition, 65 persons died from miscellaneous causes during the mid-summer holiday.

TEXAS WILDLIFE BULLETIN NOW AVAILABLE

Almost three-fourths of Texas' 170 mil. acres of land and forests are grasslands. The soil, vegetation, and climate conditions vary in different regions of Texas, providing suitable habitat for a variety of native wildlife species, says Ed Cooper, extension wildlife specialist.

When drought, intensive cultivation or overgrazing of ranges denudes an area of natural vegetation, wildlife population usually diminishes.

Wildlife biologists continually study the complex relationships between wild animals and their environment including the effects of land management practices. If man would reserve and encourage the growth of natural food and cover plants essential to the various wildlife species, animals could defend themselves against the weather, diseases and predators as they did before the arrival of man, the specialist points out.

Deer, pronghorn antelope, elk, bighorn sheep, bear, pecary or javelina and tree squirrels are considered game animals in Texas, Cooper continues. White-tailed deer and quail are more plentiful than any other game, are distributed more widely and are the most important game animals. Extension bulletin B-150, "Wild Game of Texas," has been reprinted and is available from local county agents. This bulletin discusses the game animals and birds of Texas and is well illustrated.

To reduce the number of accidental holiday deaths from all sources, the Council—a non-governmental agency founded in 1913 to prevent all kinds of accidents—is conducting an annual campaign aimed at educating the nation about the dangers that can befall unsuspecting Americans, whether they're behind the wheel of a car, having fun swimming, or busy in the home.

Some of the dangers in traffic, for example:

1. Trying to drive too fast.
2. Driving a car in poor shape. (A minor auto ailment can easily become a major under the stress and strain of turnpike driving).
3. Permitting irritations to drive you into an accident.
4. Driving after drinking.
5. Ignoring speed laws and traffic regulations—which are established for your protection.

To be safe around water, the Council advises:

1. Remember, it's not only swimmers who drown. Persons walking near the water, and persons playing or working in or by the water, also are frequent victims of drowning.
2. Know how to swim. Don't swim alone.
3. Practice moderation in swimming—don't try to swim all the way across a lake or river.
4. Horseplay is unwise around water.

Jones County Bond Sales Over \$200,000

During the first five months of this year the citizens of Jones County purchased \$239,400 in Series E&H United States Savings Bonds. This announcement was made today by A. C. Humphrey, Chairman of Jones County Savings Bonds Committee.

"We have now achieved 54.5 per cent of our 1960 goal of Texas sales for the first five months," Chairman Humphrey reported.

COST-SHARE AID AVAILABLE FOR STUBBLE MULCHING

Producers may obtain Federal cost-share again this year by carrying out the stubble-mulching practice under Provisions of the 1960 ACP Program, R. G. Rowell, Chairman of the Jones County ASC Committee announced this week.

This practice, Mr. Rowell explained, consists of the carrying out of tillage operations on small grain and sorghum stubble in a manner that the majority of the stubble will be left on top of the soil where it will afford protection against wind and water erosion, increasing the water intake of the soil, and reduce loss of moisture from evaporation. This practice may be performed with any tillage equipment that will leave the majority of the stubble on the surface of the soil, but the practice can be most

effectively performed by use of sweeps and chisels. Stubble grazed, burned over, or areas from which the stalks have been removed will not qualify for cost-share assistance under this practice.

Producers who desire to apply for cost-share assistance in performing the practice may do so by filing an application on a prescribed form at the ASC office in Anson, Texas, before the practice is begun. Applications for cost-share assistance are being accepted at this time on small grain stubble only. Applications for performing the practice on sorghum stubble will be accepted after the harvest of sorghum begins.

The funds available for this practice, says Mr. Rowell, are somewhat limited and in order to give all producers an opportunity to participate, the

extent of acreage approved for any one individual is being limited to 20 acres or one half the farm cropland, whichever is larger.

INSECTS FOUND IN COUNTY COTTON FIELDS

Cotton insects have been found damaging several fields of young cotton in Jones County according to a report this week from County Agent, Kirby Clayton.

Some fields of older cotton have been damaged by thrips, fleas, and boll weevils, while younger cotton stands are being wiped out by a small black bug called the "Darkling Beetle". The Darkling beetle passes the daylight hours under the clods and dirt around the young cotton and comes out at

night to do its damage. In the younger cotton the beetle has been known to destroy several acres off just below the ground line. Clayton recommends 1½ pints Dieldrin, 1 quart Heptachlor or a quart of 2-1 Toxaphene-DDT mix per acre for controlling this pest.

For grasshopper control Clayton recommends spraying around the fence rows with Toxaphene, Clordane, Dieldrin, Aldrin or Heptachlor. For Jumbo hoppers Clayton recommends a wet bait mix of 100 lbs. bran, 3-4 quarts of 60% Toxaphene, 1/2 gallon old lube oil, 1/2 gallon blackstrap molasses with just enough water added to make a thick paste. Put the bait out in small handfuls along the rows where the hoppers are feeding late in the evening for best results. For further information contact your county agent.

A youth can get his feet on the ground early by getting his driver's license suspended.

Nazarene Pastors Return from Meet

Rev. J. T. Jarrell, pastor of the Church of the Nazarene and Rev. Joe Norton, full-time evangelist, both of Hamlin, returned Wednesday from Kansas City, Missouri, where they attended the 15th General Assembly of the Church of the Nazarene.

The Assembly drew about 16,500 persons for the meeting in which they planned the program of the church for the next four years.

Highlighting the session was communion and church services Sunday morning when over 16,000 persons, the largest crowd of Nazarenes ever assembled under one roof, were assembled in the Municipal Auditorium.

Mr. and Mrs. D. Burton and their two daughters are visiting her parents, Mr. and Mrs. Joe Dillingham in Hamlin.

Simple words punctuate the greatness of America.

"All men are created equal."

"... of the people, by the people, for the people ..."

"God, who gave us life, gave us Liberty."

"We have nothing to fear—but fear itself."

"Let us pray..."

In the simple words of prayer, in the respected ritual of worship, in the wise counsel of the man who leads each congregation there is some private, *personal* meaning for each person who listens.

On these words you can build your Faith—a Faith that can be as deep and strong and satisfying as you will *work* to make it.

Faith can offer new strength to everyone—especially to you alone.

AIRVIEW BAPTIST WMU MEETS TUESDAY

The W. M. U. of the Fairview Baptist Church met Tuesday morning with six members and 10 visitors in the home of Mrs. Winston Gray.

Mr. and Mrs. Aubrey Bush, exas City, and Mr. and Mrs. Monroe Potter, Anson, visited in the Drake home Tuesday.

Mrs. Charles Cromeens and children, Eddie and Charlene, returned home last weekend from Lovington, New Mexico. They reported an enjoyable visit in the home of her father, Buck Dean.

Mr. and Mrs. Thompson Young visited Mr. and Mrs. R. J. Jones Thursday night.

Mr. and Mrs. Wayne Hodgett, Billy and Kay spent Father's Day in Colorado City with Mrs. Hodnett's folks.

A fishing trip to Lake Brownwood turned out to be just a camping trip for the three families going last week, from our community. Even though the fish were not biting a good time was enjoyed going swimming and visiting. Those going were Mr. and Mrs. Winston Gray and Dorothy, Mr. and Mrs. H. L. Ford, Penny, Nancy, Spencer and Diane, and Rev. and Mrs. Doyle Combs, Brenda, Cathy, and Johnny.

Mr. and Mrs. Weldon Carter who are now living in the green house, have decided to be permanent residents in our community. They bought the house where the Wise Chapel Baptist Church once stood and had a house moved on it. They are remodeling their home and as soon as it is finished they will move.

Mrs. Elmer Joiner attended Rally Day for Jones County Home Demonstration Clubs in Anson last Thursday.

Mrs. W. W. Goodwin and Linla, Mrs. Sharlot Gabriel, Telesa and Lynn all attended the campfire camp at Hamlin last week, every morning, Monday through Friday and again Friday night.

Mr. G. W. Wainscott, and son, George, both came home Friday from the Stamford hospital, after having surgery last week. Both are reported doing fine.

Mr. and Mrs. Weldon Wainscott and children, arrived Friday night from Indiana for a visit with his parent, the George Wainscotts.

Guests in the O. L. Jenkins home last week were their daughters and their families.

Mr. and Mrs. W. A. Norris, Billy and Barbara from Whitesboro, Texas, Mrs. E. A. Baker, Herrin, Kenny and Bobby of Williams, Arizona, Mmes Baker and Herrin are daughters of the Norris' and granddaughters of the Jenkins.

Mr. and Mrs. Henry Norris of Sweetwater visited in the Jenkins home Wednesday.

Thursday evening all of the Jenkins family met at Ernest Jenkins, Hamlin, for a lawn supper and visit.

Saturday night the W. S. Newland family all got together for a fish fry. Mr. and Mrs. Charles Newland and children are leaving Monday to make their home in Pecos, Texas.

Mr. and Mrs. Arthur Rutherford of Stamford, visited Sunday afternoon with Mr. and

Mrs. Elmer Joiner.

Sammie Jo Valliant visited Linda Goodwin Sunday afternoon.

Mr. and Mrs. David Higgins and sons of Abilene visited in the George Wainscott home Sunday.

Little Cathy Combs fell Sunday night in Training Union and hurt her head and was taken to the hospital but was not serious.

Della and Maud Drake wish to invite all of their friends to their home Sunday, July 10th, to celebrate their brother Connie Drake's birthday, with a birthday dinner. It is the custom in their family to have this dinner on the years that his birthday comes on Sunday, so they wish to take this way to remind their friends to come be with them on that day.

15,000 RESERVED SEAT TICKETS FOR SHRINE BOWL ON SALE JULY 7

ABILENE—More than 15,000 reserved seat tickets will go on sale Thursday, July 7, for the first annual West Texas Shrine Bowl professional football game here matching the Dallas Texans against the New York Titans.

Abilene's first pro football contest will be held Aug. 20 at 8 p.m. in the 15,042-capacity Public School Stadium. The game is being sponsored by the Abilene Shrine Club and it will provide West Texas sports fans with their first look at the two new American League teams.

Reserved tickets are \$5.00 each and will be sold in Abilene at the Eagle Gym ticket headquarters as well as 27 area cities. These include San Angelo, Midland, Odessa, Lubbock, Colorado City, Anson, Stamford, Haskell, Hamlin, Munday, Rule, Roby, Merkel, Baird, Roscoe, Rotan, Winters, Brownwood, Coleman, Snyder, Sweetwater, Big Spring, Breckenridge, Eastland, Cisco, Bal-linger and Rowena.

Equally good location tickets will be selected and distributed to each area ticket office. Mail orders may also be placed by sending checks or money orders to post office box 2334 in Abilene, adding 25 cents to

each order for handling charges.

The exhibition game will match many of the area's outstanding former collegiate players, offering a homecoming for at least 15 coaches and players, including Sammy Baugh, head coach of the New York Titans.

Baugh, a former TCU and Washington Redskins passing great, was head football coach at Hardin-Simmons University here for five years. A resident of Rotan where he operates a large ranch, Baugh will bring with him eight former H-SU Cowboys and five ex-McMurry athletes.

Outstanding Titan players include quarterbacks Ken Ford of H-SU, Terry O'Brien of McMurry and Frank Kremblas of Ohio State; halfbacks Blanche Martin of Michigan State and Corky Tharp of Alabama; and ends Russ Sloan of Missouri and Larry Grantham.

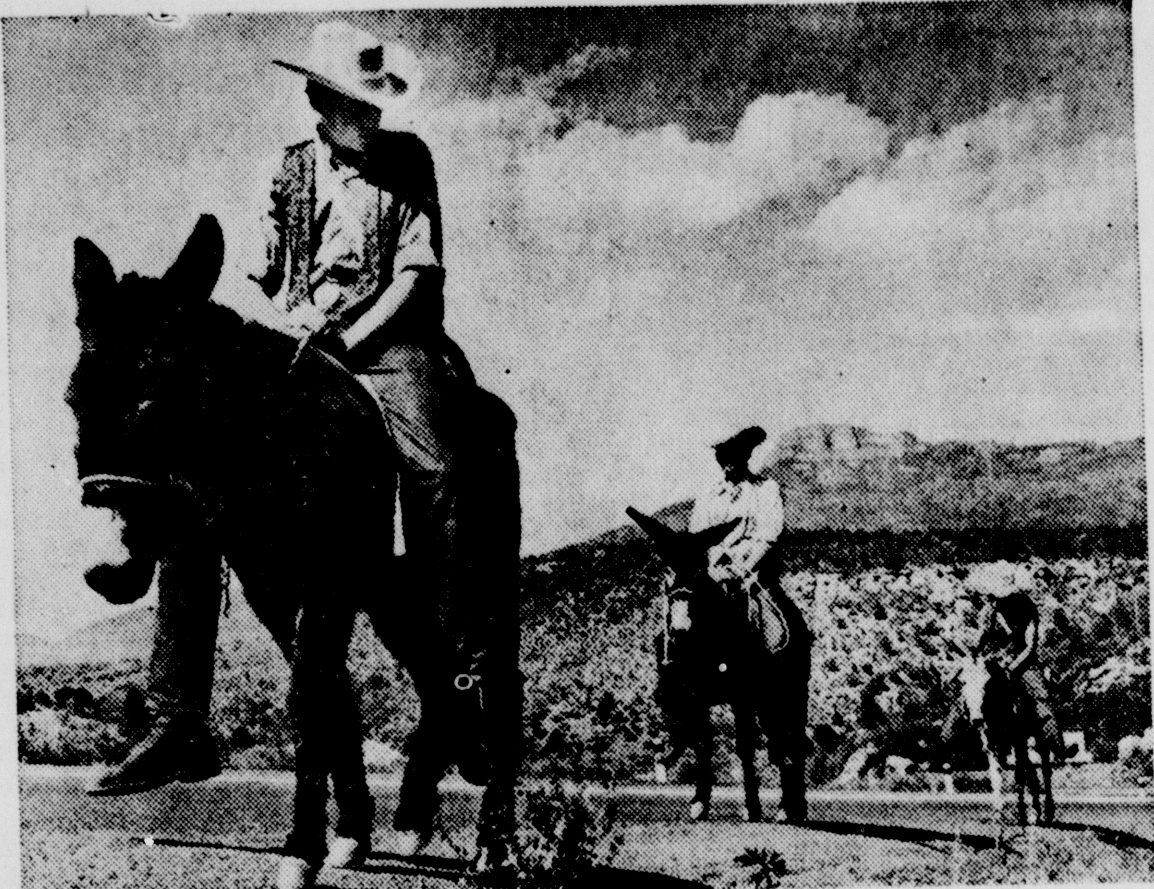

The Texans are coached by Hank Stram former SMU aide, and are owned by AFL founder Lamar Hunt. Their out-

standing players include All-American standouts Jack Spikes of Snyder and TCU; end Chris Buford of Stamford; guard Marvin Terrell of Ole Miss; halfback Abner Haynes of North Texas; former Baltimore Colt quarterback Dick Jamieson and Jim Swink, former TCU halfback.

43 Attend First HD Rally Day

The first home demonstration Rally Day was a successful event with 43 attending. The Rally Day was held June 23, at the Memorial Hall in Anson. Registration began at 9:30 and the day's activities included a talk and films on the heart by Dennis Manly of Abilene. Craft display and recreation before lunch. After a sack lunch, the afternoon's program included a talk on "Property Laws and How They Affect Women" by Rep. Leon Thurman of Anson, recreation, a discussion on the "Age of Atomic Missiles" by Woodrow Simmons of Anson and a 4H Demonstration on "What's Milk to You" by Sandra Garrett of Lueders and Marverine Shu-quist of Avoca, both members of Jones County Junior Leaders Club.

The event ended at 4:30 p.m. Too fast, he skids—School zone, poor kids!

Riding a balky donkey from Lake City, Colorado to Lake City U.S.A., Texas just north of Dallas is no easy job for 19-year-old Bill Sunderlin, 21-year-old Ed Emery, and 25-year-old Don Craig, all Lake City, Colorado area cowboys. They are making the 865-mile junket in quest of 1750 dollars worth of prize money. The Deutsch Donkey Derby will arrive at Lake City U.S.A. on July 4th to climax a gigantic old-fashioned Independence Day celebration.

TUXEDO BAPTIST CHURCH EXTERIOR PAINTED

The Tuxedo Baptist Church has a new exterior paint job, also the house on Mr. Robert farm and the J. K. French are remodeling and redecorating their home.

Visitors in the W. C. Carlton home Friday were Mrs. Fred Skiles and son, Guy of Duncan, Oklahoma and another son, Cecil Skiles and children Ima Jean and James, of Akron, Ohio.

Mrs. Bonnie Meads of Avoca, spent Saturday night with Mrs. Rebecca Harwell. Then Mrs. Meads and Mrs. Harwell attended the DeBuske reunion at Brownwood State Park Sunday.

Mrs. Harwell also visited relatives in Abilene from Tuesday through Thursday and in Anson Saturday morning.

Mr. and Mrs. Jack Buske and children visited Mr. and Mrs. August Buske of Anson Monday.

Mrs. Jack Buske and family of Tuxedo visited in the home of Mr. and Mrs. Ed Bushell of Avoca Sunday.

Mr. and Mrs. Paul Stephens of Sylvester visited their son, Craig Stephens and family Saturday.

Mr. and Mrs. Floyd Smith and daughter, Cathy, of Hobbs, New Mexico, visited in the C. P. Pritchard home and the Paul Galey home of Hamlin, Monday. Mrs. Smith is a niece of Mrs. Galey and Mrs. Pritchard.

Mr. and Mrs. Claude Pritchard and their son, Dick and his wife, and sons, Bob and Kim of Duncan, visited Mr. and Mrs. Clyde Pritchard Sunday.

Other visitors in the evening were Mr. and Mrs. Bill Pritchard and children, Mrs. H. M. Phillips and son, Mike, and Mrs. Craig Stephens.

Mrs. Jerry Crowley went to Camron Friday to visit her husband who has been in the wheat harvest there. They returned home Saturday. He will begin work at Roby July 5.

Mr. and Mrs. Jean White of Wichita Falls visited Mr. and Mrs. Edwin Tacker and Mrs. Sadie England Thursday and also Mrs. T. L. White of Stamford. The Tackers and Mrs. England visited the Jean Whites Sunday in order to see all the Jean White's children who were home and also to see Mrs. Tacker's doctor there.

Mrs. Roy McClung and children of Odessa came for a few days visit with her parents, Mrs. W. E. Brigham. Mrs. McClung is the former Lela Mae Brigham who was a Hamlin graduate a few years ago. Her son, Ronnie, has been here with his grandparents and will return home with her and her daughter, Lou Ann, will stay for a while.

Julius Decker on Submarine

ATLANTIC FLEET—Julius O. Decker, electronics technician seaman, USN, son of Mr. and Mrs. M. H. Decker of Rt. 3, Hamlin, Texas, is serving aboard the Atlantic Fleet submarine USS Thornback, operating out of Charleston, S. C. He is undergoing a seven month concentrated course of study to earn the coveted "Dolphins" of the qualified submariner.

Mr. and Mrs. C. F. Teichleman attended the wedding of her niece, Katherine Rueffer, daughter of Mr. and Mrs. Gus Rueffer, and Lawrence Schoenertsdip, all of Haskell Saturday. The double ring ceremony was read at the Lutheran Church.

Mrs. Teichleman and her daughter, Mrs. Carl Lunn, attended the funeral of Elbert Stremmel Sunday at the Methodist Church at Stamford.

Rose Ann Margret and Junior Lewis of Dallas visited the Teichelmans Sunday.

Mr. and Mrs. Paige Baize and little daughter, Diann of Abilene were visitors at the Church of Christ Sunday morning. Paige, formerly of Tuxedo, brought the message at the church and the Baizes had lunch with Mr. and Mrs. William Pritchett of Hamlin who attended church there.

Mr. and Mrs. Eldrige Rorie of Decatur were lunch guests of Mr. and Mrs. Gayle Baize on Monday.

Mr. and Mrs. Bethel Baize spent Wednesday with Mr. and Mrs. Matt Ware of Abilene.

Mr. and Mrs. Tom Gilbreath spent the weekend with her mother and other relatives in East Texas.

Mr. Kin Link of Eunice, N. Mexico, spent the weekend with his parents, Mr. and Mrs. Elmo Link and other relatives. Mr. and Mrs. Ewell Prayth-

er of Cleburne visited relatives here Thursday.

James Kent Treadwell of Denver City returned home Saturday after a two weeks visit with relatives.

SAFE STORAGE OF CHEMICALS URGED BY SAFETY COUNCIL

Safe storage of agricultural chemicals is vital to farm safety, says the Texas Farm and Ranch Safety Council.

One recommendation the Council makes for safe storage of chemicals is to always use properly labeled containers.

Chemicals may look like other compounds such as sugar or soft drinks. Without a label it is impossible to distinguish between a dangerous substance and one that is safe. Agricultural chemicals labels not only explain how the material is to be used but also the safety precautions that should be observed.

The Council lists these Commandments of Chemical Storage:

Have organized place for storage.

It is best to use or dispose of small amounts of left-over chemicals.

When chemicals of any kind are stored, be sure the label is kept intact.

Keep chemicals stored in a dry place away from fire or other sources of ignition.

Keep the chemical storage place locked to keep out children and others who are not responsible.

Store highly toxic chemicals, those having skull and crossbones on label, high enough to be out of reach of children should they get into storage area.

Never stack one chemical on top of another.

Check label for instructions so that chemicals that should not be stored together are separated.

Mr. and Mrs. Floyd Wallace are in San Antonio visiting their children, Floyd Wallace Jr., and Mrs. Leon Adair and their families.

FOR A LAWN that can "take it" all summer, start a regular maintenance program now. Build a thick, close turf, one that resists weeds and stays green—even in the hottest weather. Feed your lawn. Thriftily, well fed turf discourages weeds, stands up better in hot weather and requires much less water. Apply an inch of water once a week, using a sprinkler for even distribution. For further pointers on lawn care consult Pied Piper Feed Mill, phone 168. We have treated fertilizer that controls grubs 24-tfc

'HANNIBAL' COMING SUNDAY TO BOTH HAMLIN THEATRES

Hannibal's violent battles with the Romans, his prodigious crossing of the Alps with elephant-borne troops and his ill-starred love for the niece of his principal Roman enemy are told in splendid detail in the Warner Bros. motion picture, "Hannibal," coming Sunday to the Ferguson Theatre and the Hamlin Drive In.

Filmed in Italy and Yugoslavia in color and SuperCinescope, "Hannibal" presents Victor Mature in the title role of the mighty Carthaginian general, with Gabriele Ferzetti as the Roman consul and Rita Gam as Hannibal's love.

Four thousand foot-soldiers, 1,500 horsemen and a horde of elephants participate in the recreation of the battle of Cannae which took place 2,200 years ago and was one of the most devastating defeats in early Roman history. Director Edgar Ulmer staged the battle in Yugoslavia.

Other scenes were filmed at Cinecitta Studios and outside Rome at Cerveteri. Fourteen of the elephants used in the battle

scenes weighed three tons each. "Hannibal" offers a tailor-made role for Mature, the muscular actor who was seen effectively in previous historic roles in such films as "Samson and Deliah," "Demetrius and the Gladiators," "The Robe," "The Egyptian" and "Androcles and the Lion."

Miss Gam made her first important film success with Ray Milland in "The Thief." She also appeared in "Night People" with Gregory Peck and in "Sign of the Pagan" with Jeff Chandler and Jack Palance.

Others in the cast of "Hannibal" include Rik Battaglia, Milly Vitale, Massimo Seratto and Andrea Aureli.

Hannibal, the great Carthaginian general, crossed the Alps by way of Mont Genevre in 218 B.C. in a war of revenge against the Romans whom he defeated in the battles of Trebia and Cannae in 216 B.C. His march across the Alps with an elephant army has been memorialized historically as one of the great war strategies of all time.

In the screen story of "Hannibal," the warrior's love for the beautiful niece of the Roman consul helps bring about the ultimate defeat of his plan to destroy Rome. The film was produced by Ottavio Poggi.
